In addition to major requirements, students complete general education, basic skills, and areas of inquiry for the School of Public Health. These 84 credits may overlap with major requirements.

General Education & Basic Skills

Composition (C), with a minimum 2.0 5 credits
Additional Writing (W) 10 credits
Reasoning RSN 4-5 credits
Diversity DIV 3 credits
Foreign Language None*

Areas of Inquiry (AOI)

Arts & Humanities A&H 10 credits
Social Sciences SSc 10 credits
Natural Science NSc 20 credits
Additional AOI 25 credits

* SPH students may use first-year language courses for A&H if they complete the third-quarter course.

** Core -all Food Systems majors must take these courses
